## Grade 2H and 2T

### Miss Hennessy and Mrs. Trevors

It's great to be back after the break. We hope everyone is well rested and anxious to work.

#### Math- Big Ideas This Month:

##### **Geometry-**

(3-D Objects and 2-D Shapes)

Sort 2-D shapes and 3-D objects using two attributes, and explain the sorting rule.

Describe, compare and construct 3-D objects, including: cubes; spheres; cones; cylinders; pyramids.

Describe, compare and construct 2-D shapes, including: triangles; squares; rectangles; circles.

Identify 2-D shapes as parts of 3-D objects in the environment.

We are still working on facts, counting by 10s starting at different numbers and using the open number line. Comparing 2 digit numbers discussing tens place and ones.

St. Patrick's Day Monday, March 17<sup>th</sup>. Wear something green if possible.

*Report Cards will be going out Tuesday March 18<sup>th</sup>.*

##### **Parent Teacher**

*Thursday March 20<sup>th</sup> from 4:00 6:00 and on Friday March 21, 2014. Hope to see you there.*

#### Language Arts-

*We are continuing to enhance reading and writing skills using Daily 5. It is so important for students to read and be read to each day. They are enjoying the novels we read in class and some are starting to read chapter books on their own. Students are working on comprehension work where they find the answer in the story and highlight it. This should help ensure more accuracy. Writing skills are improving for most. They are writing much better.*

You and Your World -Students are excitedly working on their project "Changes in Animals". We hope to finish these in a month or so.

Skating-Thursday, March 20, 2014 at 10:15 a.m. -Miramichi Civic Center.  
Don't forget- skates, helmet, warm clothes.
