

Acadian Party

March 23, 2011

Harkins Elementary School

Dear Parents,

Wednesday, March 23 will be another exciting day at Harkins Elementary!

The school is celebrating Acadian culture as part of its bilingual learning initiative.

Several educational workshops will be presented to the various classes by Aurelâ Losier from *Village Historique Acadien*. PLUS there will be “a picnic” in the school gym for all students at lunch time.

We are asking that your child brings only food that doesn't have to be heated that day. Thanks to the *Home & School*, a special Acadian dessert will be provided.

If you are able to provide a fruit tray, bananas, oranges, grapes and/or some other kind of fruit for the “picnic,” we'd greatly appreciate it. Just drop it off at the school on Wednesday morning.

Students are also being encouraged to wear red, white, blue and yellow that day as part of the celebration - or an early Acadian outfit. There will be prizes for the most colour and the best costumes.

Thank you in advance for helping to make *Harkins Elementary* the wonderful community school that it is.

Have a great day.

Cathy
