

**Welcome to the 2014-2015 school year. We are so pleased to have your children entrusted to our care. I would like to acknowledge and thank District Office and school staff for their professionalism and dedication. I am proud to be the Superintendent of Anglophone North School District!**

**There are wonderful opportunities happening for students in all of our schools across this diverse and geographically vast district. We continue to focus on achievement and global competencies in an inclusive and safe environment. Our teachers are working collaboratively to ensure that student success is realized for all.**

**Parents and guardians, I encourage you to become as involved as possible in the education of your children. We have been fortunate to be able to rely on a solid body of volunteers and will continue to do so. Please keep in touch with your child's teachers and principal. Rest assured that we are centered on what is important - your children. Together, we will strive to ensure that education in our school district is second to none.**

**Wishing you all a safe, happy and productive school year!**

**Beth Stymiest  
Superintendent**
