Desmond Marsland

Grade 5

Marley Gray
Sarah Whitney

Super Hero Week

We are excited to have a “Super Hero” week, April 18-22. The week will involve learning activities based on the Super Hero theme. This will involve all students, K-5. Teachers have been working to prepare activities based on the various Super Heroes.

We have a variety of keepsakes for our students, including a book for each one.

The week will also include a Super Hero dress-up day. More information will follow in a memo prior to the Super Hero week.

Celebrating Harkins

As you have been made aware, Harkins Elementary will close its doors at the end of June.

We have decided to start planning a celebration of the school, which is near and dear to our hearts. This celebration will occur at some point in the middle of June.

We may be asking for parent volunteers at that time to help us out. We want to give Harkins Elementary a proper send-off!

If you have any suggestions, please let us know!
