### Grade 5 Fundraiser

The Grade 5 class will be having a school spell-a-thon, to raise funds for their end of elementary school celebration. The spell-a-thon will take place May 14-18.

### PICKING UP CHILDREN AFTER SCHOOL

When children are getting ready to go home at the end of the day, the lobby area is congested. Teachers need to be careful regarding which children are leaving and with whom. It is for these reasons we are requesting you wait for your child at the playground entrance. Once the children are ready, we will bring them to you.

### OUTSIDE AT RECESS

With the nice weather here, we have started to go outside at recess (10:10 - 10:25). Please make sure your child is dressed with warm jackets. They should also have a hat/headband and mittens, as the mornings are still cool.
